Hi Mary,

I just received an update - as it is a busy time for the agency at the end of our fiscal year for all cases getting concluded, we anticipate a signed document the first week of October.

Thanks,

Michele

Thank you very much Mary. Yes it is actively routing, I believe it is at the Director's level for signature.

Thanks,

Michele

Michelle – I know that Henry sent you these separately – but I am just following up to make sure you have them. The updated Wyden Agreement and an acknowledgement by the Forest Service of the official arrangement with Pine Hope initiated in 2012. Hopefully the AOC is making the rounds and will be finalized soon. Henry is anxious to put this behind him. Thank you!
